Comment	<p>The Northumberland and Newcastle Society (N&N) support the grant of planning consent in respect of this scheme</p> <p>The Society very much welcomes the investment and restoration work that it supports for this wonderful and greatly cherished heritage asset. The proposed interventions to install contextual sculptures will add intrigue and interest to the Grainger Market and we hope they will encourage more people to experience what is on offer.</p>		
2025/2047/01/DET	Detailed Application	Former Siemens Site Shields Road, Newcastle Upon Tyne, NE6 2UT	Erect bespoke manufacturing facility (Class B2), ancillary buildings & substation, 3m high boundary fences, associated car parking, vehicle access, retaining walls, landscaping & partial stopping up of Etherley Rd.
Planning Officer	Nick Robertson		
Comment	<p>The Northumberland and Newcastle Society (N&N) support the grant of planning consent in respect of this scheme</p> <p>The Society acknowledges the importance of this site and its historic contribution to innovation and globally significant engineering excellence. We welcome the proposed scheme and particularly the frontage design that we hope will make this stand out as a centrepiece landmark building that reflects the origins of the wider site.</p>
